

South Australia Early and Primary Years Band Science Outcomes for Eaten Alive

Early Years Band Outcomes in Science

STRAND	OUTCOME	EATEN ALIVE EXHIBITS
Life Systems	1.5 Investigates the features and needs of living things, and demonstrates an understanding of their interdependence with each other and the physical world. 1.6 Explores their own stages of growth and those of other living things. They develop personal future timelines.	All exhibits, particularly Predator Picnic and What's for Dinner?
Life Systems	2.5 Explores relationships between living things by posing investigable questions about features and functions. 2.6 Communicates understandings of life cycles and the importance of diversity for the future.	All exhibits

Primary Years Band Outcomes in Science

STRAND	OUTCOME	EATEN ALIVE EXHIBITS
Life Systems	3.5 Explains the interrelationships between systems within living things, and between living things in ecological systems. They relate these ideas to the health of individuals and to threats to the sustainability of ecological systems.	All exhibits
